LAGO Z
2024

OPTIONAL EXTERIOR COLORS

LAGO Z

The Lago now features a luxury line. This exciting new product offers many of the luxurious standard amenities (raised helm, chrome decals, recessed speakers/cupholders built into the backrest, and diamond pattern stitched furniture) and options more common for a premium line, while featuring base pricing that rivals many brands' mid-line boats.

UNMATCHED STRUCTURE

American Made Quality from the Bottom Up

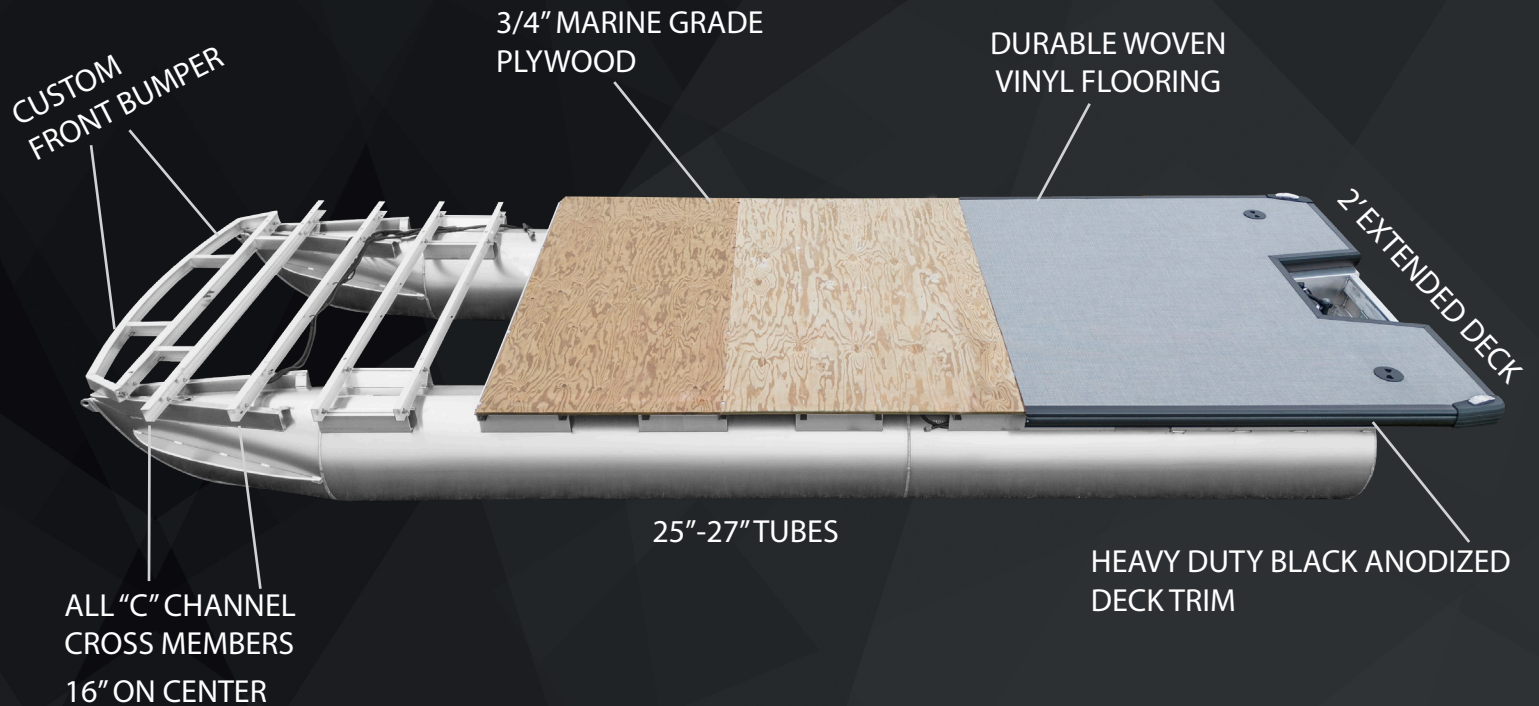

TOUGH FRONT END

Our boats have an extremely durable front bumper that is fully welded, created from reinforced 3" extruded aluminum C-Channel.

AUTOMOTIVE & RESIDENTIAL STRUCTURE

The majority of our structural cross members are 16" on center similar to home construction. This provides a better structure and one that can take on many years of use.

THE BEST
RIDE IN THE
BUSINESS

UNRIVALED WELDS

Our team uses a combination of TIG hand welding and robotic MIG welds. We are so confident in our work that we provide a **limited lifetime warranty** on all our welds!

KEEP IT DRY

We include oversized spray deflectors on all our boats to make a dry ride every time.

CONSISTENT PRODUCTION

Every boat we build is on the same production line and crafted with the same excellence and integrity across the board.
